We're only 11 events into the 2010 tour, yet Dr. Dora Collins became the 5th NABI Chicago "Hall of Fame" member to win a tournament this year. Dora, a 63 y/o retired teacher, used an Ebonite Complete NV to roll the winning 688 handicap series. This event was rolled on the challenging PBA Chameleon oil pattern. Dora was feeling under the weather all week, and only decided at the last moment to come out & bowl NABI with her sister Hattie. Dora has two children & two grandkids. Even though only 27 members showed up for this event, Dora left the center with over \$1,400.00 of prizes. Dora's last title was back in October of 2005 at the former Glenwood Bowl. Congratulations Dora!
