It was a "Tale of two squads" at Zone Woodridge this Sunday. The Chameleon pattern earned its name by being a condition that is constantly changing. For the 1st time in club history, no one's score on the 1st squad landed above the cut line. Daniel O'Connor improved on his 1st squad score by 124 pins to earn the 2nd title of his 2 year NABI career. Daniel is 46, hails from the south side, and works as a respiratory therapist at UIC Hospital. He is married to Teena and has 5 children & 1 grandkid. Congratulations Daniel !

Rich Jeschke won a new Ebonite Magic Action ball in our web drawing. We're planning on more web drawings in the near future, so make sure you're signed up for our e-news. You can do this from our homepage.
