The record for the high handicap "No Tap" series lasted exactly one month. Nestor Malab threw scratch no tap games of 277, 270, 300 for a handicap series of 904 in winning the 16th title of his 19 year NABI Chicago career. Nestor is a 41 y/o transmission rebuilder, and has three children with his spouse of 19 years Vivienne. Nestor was partly responsible in getting Willowbrook Lanes added to the NABI Chicago Tour, and looks forward to our return.

For the 2nd consecutive month, Debbie Berry threw the high score on the 1st squad earning her back-to-back 2nd place No Tap sweeper finishes.
