(l to r) Manoo Subin, Tony Sokolowski & George Harris

64 y/o Tony Sokolowski dodged a couple of bullets on his way to winning the 7th title of his long NABI Career. He earned his way to the finals by edging out Pam Subin by a mere 5 pins on the final qualifying squad. He then had to sit on the bench in the 10th frame of the 1st finals match knowing George only had to go x/ or /x to knock him out. George threw a strike on the 1st shot, but left the 3-6-9 on his next ball. George needed two for the tie or a spare for the win, but slid the 6 pin between the double wood allowing Tony to advance. Tony then defeated Manoo Subin for the win.

Tony dedicated this win in memory of his brother Jim who passed away this week.
