(l to r) Tanate Kusub, Tony Sokolowski & Steve Gyoerkoes

64 y/o Tony Sokolowski became only the 7th NABI Chicago member since 1996 to win Back-To-Back Championships. He did this by beating the last NABI Chicago member that had performed this feat - Hall of Fame member Steve Gyoerkoes. This makes title number 8, leaving Tony only 2 shy of being eligible to join Steve in the NABI Chicago Hall of Fame. Tony has been married to Linda for 36 years, and has 3 kids. He has been the Comptroller for Bishop Plumbing for the past 8 1/2 years. We know that Tony has mixed feelings about having so much success the same week that he had to bury his younger brother Jim, but we believe it was Jim's way to bring some happiness to a very sad time. Congratulations Tony!

Despite the fact that our club had it's lowest number of April entries since we took over the club in 1996, two members won nearly \$3,000.00 this month! With leagues ending over the next couple of weeks, it is very important that we have a good summer, in order to survive through this fall. May through August is crucial to our club - HAVE SOME FUN - BOWL NABI & BRING A FRIEND !
