22 y/o Mark Sajo graduated from Wright College this week receiving an associates degree in business management. He celebrated this by winning his 1st NABI Chicago Championship this Sunday at Brunswick Zone Niles. He beat his nearest competitor by 46 pins on the PBA Shark pattern. Mark will be returning to school this fall to pursue a Bachelors Degree. Congratulations Mark!

Even though only 45 members showed up at Niles this Sunday, over \$5,100.00 was paid out at this two squad sweeper. That's over \$114.00 per member paid out! 23 of our members won some sort of prize and/or pot money at this event. You're not going to find that anywhere but NABI Chicago.
