*Gio had the high hdcp series on 1st squad

**Steve won 6-game (1348) \$64

***Al won the 50/50

Charity Musial started the first squad out with a 119 game. With no realistic chance of shooting a cashing score, she "played around" on the scorpion shot with different speeds & angles and finished with two 190+ games. She then received a call from her brother Tim, who said that he was headed that way with their mother so he could get some games in for Vegas. Charity had some time to waste, so she decided to do something she rarely does.....bowl a 2nd squad. She proceeded to sandwich a 211 game with two more 190+ games to edge out Steve Gyoerkoes by 10 pins in winning the 9th title of her 18 year NABI career. Charity used an Ebonite Complete NV that was drilled by George at Star Pro Shop in Addison. Charity is 50, and is a Detective with the Chicago Police Department. Congratulations Charity!
