(l to r) Scottie Coleman, Shirley Bryan & Dora Collins

Scottie Coleman came over to the check-in desk in between Saturday's two qualifying squads & shared with Deb "I'm gonna win this thing!" He then proceeded to start the 2nd squad with 10 straight strikes, before leaving a 7 count on his 11th shot in his quest to break the No Tap 300 pot. He rode that game into the finals, where he defeated Shirley Bryan and then Dora Collins to win the 7th Championship of his 5 year NABI Career. Scottie is 42 and recently retired from the US Army. He recently celebrated the arrival of a new grandchild - Elijah. Congratulations Scottie!
