At our last event, Dora Collins earned the top seed in the finals by shooting the high score on the 1st squad. This Sunday, her sister, Hattie Wash duplicated this feat, and took it one step further by winning the tournament. This was Hattie's 3rd title, but the 1st since December of 2006. Hattie is 62 years young and has a daughter & grandson. She is a respected Psychologist who serves as the Director for a number of City of Chicago Mental Health facilities along with her private practice "Emages". Even though only 24 bowlers showed up for this event, Hattie left the creter with over \$1,400.00! Congratulations Dr. Hattie !!
