Terry Conway, Frank Formella & Buddy Cabading

Frankie "The Kid" Formella's last two Champion checks say Hillside Bowl, but he essentially won today at a brand new center. New approaches, new lanes, new oil & oil pattern....only the address & phone number stayed the same. Frankie was fortunate to convert the 1-3-8 spare in the 10th frame with a ball that appeared to severely miss to the left. Sometimes when you miss, it's best to miss real bad...lol. Frankie is the newest member of the NABI Chicago "Hall of Fame". He was elected last fall after his last win at Hillside. He used an Ebonite Complete NV drilled by Steve Jaros. He asked to give special thanks to his coach Greg Zicha from the Pro Shop at Fox Bowl in Wheaton for tuning his game. Congratulations Frankie!

Kevin Gonsalves came up from Ft. Knox KY to visit. He will be shipping out to Afghanistan in January. Please include him and his fellow soldiers, seamen, airmen & marines in your prayers.
