MATCH-PLAY FINALS

Gabriel Abreu, Isaac Price & D J Soriano

Gabriel Abreu edged out Nestor Malab by 1 pin in a 2-frame roll-off for the last spot in the finals. He then converted 3 of 4 splits in his match against D J Soriano, but ended up losing a 2-frame roll-off by one pin. D J then went on to face top qualifier Isaac Price in the Championship match. The last time these two met with something on the line, D J ended up having to let Isaac cut off his pony tail for charity. Isaac has won 5 titles at Classic Bowl, the last being just 6 weeks ago, so DJ had his hands full. Taking an unauthorized smoke break in between matches came within 30 seconds of him being given zeros for his 1st frame. Then in the 7th, he left & converted the 7-10 split which eventually was the difference in the match. This was the 4th title of D J's 4 year NABI career. He is pictured above with wife Agnes. They have 7 kids & 1 grandkid to their credit. D J used a Hammer Nasty drilled by Rich Blake.
