47 y/o Cary Keller, of Chicago joined the club last November. In just his third tournament, he can now say he is a NABI Chicago Champion. Cary posted the winning handicap score of 699 on the 1st squad of this 2-squad Sport Sweeper. He also shot the 3rd highest series of the day, earning him the 4th place check and 6-game side event cash as well. He has been employed in the IT department of Aon Hewitt for 15 years, and wanted to give special thanks to his coach, and fellow Aon Hewitt employee Joe Mahler. Gabriel Abreu was originally disappointed when he threw a 145 game on his last game of the 1st squad, but that frown turned into a big smile when he found out that the game won him \$500.00 in the Combo/Mystery Pot.
